1	Breckland	<p>Breckland Leisure Centre and Waterworld</p> <p>Like many of you we're pleased to see things slowly getting back to normal. The re-opening of pubs, restaurants and other businesses in the hospitality sector from 4 July is a great step forward and indicates we won't be far behind them. We'll spend this time continuing to get ready to welcome you back to your local leisure centre - it won't be long now. When you're ready, we're ready!</p> <p>#saferhappierhealthier</p> <p>Govt Info re: Covid and Out of School Settings https://www.gov.uk/government/publications/guidance-for-parents-and-carers-of-children-attending-out-of-school-settings-during-the-coronavirus-covid-19-outbreak/guidance-for-parents-and-carers-of-children-attending-out-of-school-settings-during-the-coronavirus-covid-19-outbreak</p> <p>Activities which are available are either yearly or home based e.g. Have fun with the Silly Squad digital Summer Reading Challenge</p>
2	Breckland	<p>Norfolk's libraries</p> <p>Norfolk's libraries may be closed but that isn't stopping the return of the Summer Reading Challenge, which for 2020 is all about funny books, happiness and having a laugh. With the disruption caused by Covid-19 and the impact of social distancing on schools and public libraries, this year's challenge has launched as a digital activity to keep children reading over the summer and help prevent the summer reading 'dip'.</p> <p>The theme for this year's challenge is the 'Silly Squad', a team of animal friends who love to go on adventures and get stuck in to all different kinds of funny books. It features bespoke artwork from award-winning children's author and illustrator Laura Ellen Anderson. Children aged 4-11 can join the Silly Squad on a new adventure by setting their own personal reading challenge to complete from now until September. The new online platform will help them keep track of their books, reviews and the rewards they unlock along the way. Although children can't borrow physical books from libraries at the moment, they can choose from thousands of e-books to download free from the library service using the Libby app - see www.norfolk.gov.uk/ebooks for more details.</p> <p>The Summer Reading Challenge is produced nationally by The Reading Agency and is being delivered by libraries across the country through virtual services and e-lending platforms. Realising that not everyone has access to digital services, the Reading Agency is working to supply printed Silly Squad materials to libraries able to reach families without digital access.</p>
