A SERIES EXPLORING HIGHER AND DEGREE APPRENTICESHIPS

Are you wanting to do a higher or degree apprenticeship or are you still unsure?

This series of discussions with industry experts and current apprentices will help you find the answer. We will explore what apprenticeships entail, including top tips on how to find and successfully apply for vacancies.

Introductory episodes:

- **Take Your Apprenticeship Episode 1 – Mythbusting**
Jenna Rich from City College Norwich offers an insight on some common misconceptions that exist about apprenticeships.
- **Take Your Apprenticeship Episode 2 - Finding an Apprenticeship**
Joanne Taylor from the University of Suffolk discusses the benefits of choosing to do an apprenticeship and how to find current vacancies.
- **Take Your Apprenticeship Episode 3 - Application & Interview Advice**
Lily Sinclair from Ask Apprenticeships gives some top advice on how to be a successful applicant and ways to excel during interviews.
- **Take Your Apprenticeship Episode 4 - A Parent's Perspective**
Sue Rush works as a Parent Ambassador for the University of Suffolk. Sue tells us why the apprenticeship pathway was the correct choice for her daughter.
