Relies on the maturity and the awareness of community that should have developed by this stage of term.	Sex and Relationships Tell Me More – RSE 2 nd May – 18 th July Trends in sexual behaviour among young people and local teenage pregnancy statistics inform the sequencing of this topic prior to summer holidays. Topic to include condom demonstrations and other contraceptive guidance. Builds on Year 7.	Sex and Relationships Tell Me More – RSE 2 nd May – 18 th July Trends in sexual behaviour among young people and local teenage pregnancy statistics inform the sequencing of this topic prior to summer holidays. Topic to include condom demonstrations and other contraceptive guidance. Builds on Year 7.
PRE (2 lessons a fortnight)	Ethics Relationships and Families (6th September – 6th December) GCSE Thematic Study Developing students' understanding of ethical issues concerning marriage, divorce, families, gender equality, sexual relationships and sexuality.		Religion Christianity (13th December – 25th April) Beliefs and Teachings We study Beliefs and teachings first as these are the ideas that underpin religious practices, leading to an opportunity to review beliefs during practices modules and to have laid foundation of knowledge to better understand the meaning of religious practices when we teach those later in the course. The Christianity Beliefs and teachings module includes learning about the nature of God, beliefs about creation, the incarnation, crucifixion and resurrection of Jesus, heaven and hell and sin and salvation.		Ethics Religion, Crime and Punishment (2nd May – 18th July) GCSE Thematic Study An engaging topic which will once again highlight the relevance to student lives. Crime and punishment includes learning about the causes of crime, aims of punishment, attitudes to suffering, treatment of criminals, forgiveness and attitudes to the death penalty.	
CEIAG (1 lesson a fortnight) (including trips and events)		Careers Education Career Pathways 8 th November – 29 th November Informs and advises on the GCSE process prior to making choices. Looks at aspirations and requirements for future study. YEAR 11	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
PSHE	<p>Health and Wellbeing</p> <p>Medical Ethics 6th September – 4th October</p> <p>Looks at these medical issues from both a secular, scientific view as per RSHE guidance. But also applies the philosophy and theology developed over the 4 years of CC. Allows for mature, critical analysis of the issues from a broad theoretical base.</p>	<p>British Values</p> <p>Human Rights (inc. FGM) 8th November – 13th December</p> <p>Mature themes, involving philosophy, theology. Issues of forced marriage, FGM, breast ironing etc, all require a level of maturity that being in Year 11 demands. Age appropriate.</p>	<p>British Values</p> <p>LGBTQ+ Rights and Women's Rights 3rd January – 17th January</p> <p>Mature themes, involving philosophy, theology. Issues of forced marriage, FGM, breast ironing etc, all require a level of maturity that being in Year 11 demands. Age appropriate.</p>	<p>Sex and Relationships</p> <p>Pregnancy and Family Life 31st January – 7th March</p> <p>Recaps and builds on Topic 8 of Year 8. Includes more age appropriate first aid such as heavy bleeding and shock, chest pain and cardiac arrest. Skills that will be transferable in work.</p>
